The Fox Valley Men of Harmony are **serious** about helping **you** enrich your joy of singing. C'mon, we ALL sing. In church, in the car, in the shower. But many of us are unsure about singing in front of others. The Fox Valley Men of Harmony want to help you get the most beautiful sound possible from your voice. We are very experienced in helping people sing better! The 2017 FREE Singing Lessons Program will provide ways to get a more resonant voice in a safe environment: in the company of like-minded individuals! Come the first night to check us out and then complete the full six weeks of lessons if it suits you. There is no obligation on your part.

Our talented and award winning Directors, Doug Smith and John Schultz, will inspire you! These men have the skills to reach students of all talent levels and bring a great amount of energy and humor to the program.

- Can't read music? No problem, no prior musical experience is needed.
- Afraid of singing in front of others? Chances are many of your fellow students feel the same way. You will be in a very comfortable environment with NO judgment. Imagine that!
- Worried about the time investment needed? Each weekly lesson takes only an hour of your Monday evening: after dinner and before dessert.
- Already have experience singing and want to take it up a notch? The simple curriculum takes you from basic fundamentals to advanced concepts.
